Amateur Radio Club hams it up for Field Day 2002

There will be a meeting of the Boeing Employees Amateur Radio Society (BEARS) on Thursday, June 13 in conference room 13-2-A at 11:30 - 12:30. Bring your lunch and discuss our plans for Field Day 2002 on June 22 - 23. Field Day is a 24 operation using non-commercial power to make as many contacts as possible to demonstrate emergency operation and promote amateur radio to the public.

You are also invited to join the BEARS and the CLARA clubs to help make radio contacts from 11:00 PDT June 22 to 11:00 PDT June 23 in the parking lot east of building 13. You won't miss the antennas! For more information, come to the meeting or call Dan Minear at x67311 or Roy Lothringer at x62477.
