Introduction to Guidelines

| | |
|--|---|
| Purpose of SEMS Guidelines | 1 |
| SEMS Documentation | 1 |
| Organization of the Guidelines..... | 2 |
| Relationship to Other Plans and Guidelines | 2 |
| Background on SEMS Development..... | 3 |

I. System Description

A. General System Description

| | |
|---|----|
| 1. What Is SEMS? | 1 |
| 2. Purpose of SEMS | 1 |
| 3. Organizational/Response Levels and Activation Requirements | 2 |
| 4. Features Common to all Organizational/Response Levels..... | 4 |
| 5. Mutual Aid | 7 |
| 6. Overview of SEMS Response | 11 |

B. Field Response Level

| | |
|--|----|
| 1. ICS Description | 1 |
| 2. Functions of ICS..... | 3 |
| 3. Principles of ICS | 8 |
| 4. Activation Criteria for ICS | 10 |
| 5. Expansion of the ICS Management Structure--Modularity | 12 |

6. Resources and Staging Areas14

7. Unified Command15

8. Incident Action Plans16

9. Area Command.....17

10. Relationship to Emergency Operations Centers (EOCs) and/or Department
Operations Centers (DOCs).....20

11. Relationship to Multi-Agency Coordination Systems.....22

12. Relationship to Multi-agency or Inter-agency Coordination22

13. Involvement of Special Districts, Public Utilities, Private and Volunteer
Agencies in Incident Response.....23

C. Local Government

1. Local Government Level in SEMS1

2. SEMS Requirements for Local Governments2

3. Emergency Operations Center (EOC).....2

4. EOC Organization3

5. Activation9

6. Action Planning.....9

7. Multi-agency or Inter-agency Coordination at the Local Government
Level.....11

8. Coordination with the Field Response level.....12

9. Coordination with the Operational Area Level14

10. Special District Involvement16

11. Coordination with Volunteer and Private Agencies.....17

12. Relationship to Mutual Aid Systems.....17

D. Operational Area

1. Role of the Operational Area.....1

2. Operational Area Emergency Operations Center (EOC)2

3. Operational Area Emergency Management Organization3

4. Relationship of Operational Area Mutual Aid Coordinators6

5. Activation of the Operational Area6

6. Action Planning.....8

7. Resource Management at the Operational Area Level.....8

8. Multi-agency or Inter-agency Coordination at the Operational Area Level9

9. Coordination with Cities and County Government.....10

10. Special District Involvement12

11. Coordination with Volunteer and Private Agencies.....13

12. Coordination with the Regional Level13

13. Relationship to OASIS16

E. Regional Level

1. Regional Level in SEMS.....1

2. SEMS Regional Guidelines.....7

3. Responsibilities and Roles of OES Regional EOCs.....7

4. Activating the Regional EOC (REOC)9

5. Regional EOC (REOC) Organization10

6. Regional EOC Staffing.....14

7. Coordination with the Operational Area14

8. Coordination and Communication with Established Mutual Aid System
Regional Coordinators.....17

9. Coordination with the State Level.....19

10. State Regional and Federal Interactions.....19

11. Multi-agency or Inter-agency Coordination at the Regional Level20

12. Action Planning at the REOC level.....21

13. Role of the Operational Area Satellite System (OASIS) at the Region22

F. State

1. Role of the State Level in SEMS.....1

2. Organization of the SOC3

3. Activation of the State Operations Center (SOC)6

4. SOC Staffing7

5. Coordination with the Region8

6. Multi-agency or Inter-agency Coordination.....8

7. State and Federal Interactions9

8. Action Planning at the SOC9

9. Role of the Operational Area Satellite System (OASIS)10

II. Planning & Developing SEMS

A. Field Response Level

1. Who should use ICS?1

2. Policies and Procedures.....3

3. Training3

4. Exercising.....4

5. Planning Checklist.....4

B. Local Government

1. Adopting SEMS1

- 2. Responsibility for SEMS Planning.....1
- 3. Participating in the Operational Area.....1
- 4. Developing Relationships with Other Local Governments.....2
- 5. Incorporating SEMS into the Emergency Plan2
- 6. Relationship of SEMS and MHFP Functions.....3
- 7. Use of OASIS Forms.....6
- 8. Training7
- 9. Exercises.....8
- 10. Planning Checklist.....8

C. Operational Area

- 1. Responsibility for Planning and Developing the Operational Area1
- 2. Elements of an Effective Operational Area.....2
- 3. Establishing the Lead Agency.....2
- 4. Lead Agency Staff.....4
- 5. Operational Area Disaster Councils5
- 6. Designated Operational Area EOC5
- 7. Developing the EOC Organization.....6
- 8. Plans and Procedures.....7
- 9. Training7
- 10. Exercises.....8
- 11. Getting Started.....8
- 12. Planning Checklist.....9

D. Regional Level

- 1. Responsibility for SEMS Planning.....1

2. Developing and Maintaining the REOC2

3. REOC Operating Plan and Standard Operating Procedures3

4. Training3

5. Exercises.....4

6. Planning Checklist.....5

E. State Level

1. Responsibility for SEMS Planning.....1

2. State Emergency Plan and Related Plans2

3. State Operations Center.....3

4. SOC Standard Operating Procedures3

5. Training4

6. Exercises.....5

7. Planning Checklist.....5
